

## ABOUT THE TOURNAMENT

Kevin at Journey Forward

*The idea for this benefit golf tournament was conceived by a group of friends of Tara, Donny, Kevin and Brian Chambers after learning about the diving accident that Kevin (above), suffered in August, 2007. The accident has left Kevin a quadriplegic. At 23 years old, Kevin's life was changed forever. After having spent 2½ weeks in the ICU at UMass Medical Center being medically stabilized and evaluated, Kevin spent 4 months at Spaulding Rehabilitation Hospital in Boston. He has been home since January 15, 2008 and is continuing to work on his rehabilitation program at home and at Journey Forward (Journey-Forward.org) in Canton.*

### **Kevin needs our help!**

*His medical insurance will only cover so much — his specialized care will include CNAs, PCAs, prescription medications, specialized equipment, Journey Forward and much more. These are just some of the needs that Kevin will continue to be facing over the course of his life..*

### **THANK YOU...**

*The Chambers Family greatly appreciates all your support!*
