About the Tournament

Kevin working out at Journey Forward

After hearing about the diving accident that Kevin suffered back in August of 2007, a group of Tara, Donny, Kevin and Brian Chambers friends conceived the idea of hosting a benefit golf tournament to help defray some of Kevin's medical costs. At just 23 years old Kevin's life was changed forever as the accident left him a quadriplegic.

Kevin spent more than 2 weeks in the ICU at UMass Medical Center being medically stabilized and evaluated, Kevin then spent an additional 4 months at Spaulding Rehabilitation Hospital in Boston. He has been home since January 5, 2008 and is continuing to work on his rehabilitation program at home and at Journey Forward (Journey-Forward.org) in Canton.

Kevin needs our help!

Kevin's medical insurance only covers a small portion of his medical expenses. His specialized care includes CNAs, PCAs, prescription medications, specialized equipment, Journey Forward and much more. These are just some of the needs that Kevin will encounter over the course of his life.
